

Alpine Income Property Trust Closes \$450 Million Unsecured Credit Agreement

February 4, 2026

WINTER PARK, Fla., Feb. 04, 2026 (GLOBE NEWSWIRE) -- Alpine Income Property Trust, Inc. (NYSE: PINE) (the "Company"), today announced that it closed an amended and restated unsecured credit facility (the "Credit Facility") with the proceeds used to effectively retire all the Company's prior unsecured debt. Highlights of the new Credit Facility are as follows:

- A \$450 million unsecured Credit Facility comprised of:
 - a \$250 million revolving credit facility due February 2030 with two six-month extension options (the "Revolving Credit Facility"),
 - a \$100 million term loan due February 2029 (the "2029 Term Loan"), and
 - a \$100 million term loan due February 2031 (the "2031 Term Loan")
- Borrowings under the Credit Facility range within a pricing grid based on the Company's leverage ratio plus SOFR and are 10 to 15 basis points lower compared to the Company's prior unsecured debt
- Provides an accordion feature which allows for total borrowings under the Credit Facility to be increased to \$750 million

At closing, the Company applied existing SOFR swap agreements resulting in an initial fixed interest rate for both the 2029 Term Loan and the 2031 Term loan of approximately 3.5% and for \$100 million outstanding under the Revolving Credit Facility of approximately 4.8%. In May 2026, when the SOFR swap agreements applied to the 2029 Term Loan mature and are replaced by a forward SOFR swap agreement executed today, the interest rate will adjust to approximately 4.8%. In January 2027, when the SOFR swap agreements applied to the 2031 Term Loan mature and are replaced by forward SOFR swap agreements executed today, the interest rate will adjust to approximately 5.0%. In January 2027, \$50 million of the current SOFR swap agreements applied to the Revolving Credit Facility mature and in March 2028 the other \$50 million mature.

The Credit Facility was provided by a syndicate of banks led by Truist Bank, N.A., as administrative agent.
